

TRANE XR13 AIR CONDITIONER

Trane Profit-ability

Sell-ability

- ≡ Industry leader and brand reputation
- ≡ Precision engineering
- ≡ Approved matched systems
- ≡ Sound levels as low as 75 dB

Install-ability

- ≡ Quick-Sess™ cabinet
- ≡ Easy access to service valves

Service-ability

- ≡ Easy single-side access
- ≡ Easy top and fan removal
- ≡ Refrigerant components outside of coil
- ≡ Easy coil cleaning
- ≡ Roto-lock fittings/no brazing
- ≡ Standardized component locations
- ≡ Full-length control and service valve cover

Performance-ability

- ≡ Efficient, up to 14.00 SEER
- ≡ Spine Fin™ coil
- ≡ Climatuff® compressor

Rely-ability

- ≡ SEET tested
- ≡ Factory-installed liquid line filter drier
- ≡ Quality components
- ≡ Tougher validation and design criteria

It's Hard To Stop A Trane.®

TRANE LIMITED WARRANTY

- 10-year compressor
- 10-year outdoor coil
- 5-year functional parts

PUMP UP EFFICIENCY, AND YOUR BOTTOM LINE.

The TRANE XR13, with a higher SEER to **meet new federal regulations**, delivers high cooling efficiency and long-term savings to your customers. It has many of the **technical advancements** and **innovative features** found in our top-of-the-line super efficiency units, at

an **attractive price** for discerning customers. Extreme-weather tested, it will perform at **high efficiency**—and low cost—throughout its lifetime. With the XR13, your customers can be assured their cooling dollars are well spent.

Reliable performance

Precision engineering, design innovation and rigorous testing for reliable, long-lasting performance and durability.

Better indoor air

Add a TRANE CleanEffects™ air filtration system to remove up to 99.98% of airborne allergens from the filtered air for a cleaner, more comfortable home.

Comfort control

Give your customers better comfort control with a Trane digital or programmable thermostat.

Enhanced comfort

Add a variable-speed indoor unit with Comfort-R™ to decrease sound and increase efficiency for better comfort and humidity control.

Efficient operation

Increased efficiency may substantially lower your customers' home cooling costs.

TRANE XR13 AIR CONDITIONER

Features and components may vary by model and are shown for illustration purposes only.

1 Climatuff® compressor

TRANE's Climatuff compressor has long been the standard for reliable operation. Whether the best-in-industry reciprocating or the new scroll design, you get superior durability, cost-saving efficiency and low sound levels.

2 Full-sided louvered panels

22-gauge, galvanized-steel, louvered panels serve to keep the coil clean while protecting the coil surface from damaging elements like leaves, tree branches, hail and rambunctious neighborhood kids.

3 Baked-on powder paint

A finish that is virtually indestructible even if the metal gets dented. 90,000 volts are applied to the paint as it exits the paint gun. The paint gives up its electrons to the grounded metal, resulting in a smooth finish. Maximum corrosion and rust resistance. Eliminates sharp metal edges. Attractively blends with any architectural style and outdoor landscape.

4 Spine Fin™ coil

Engineered with internally grooved, all-aluminum tubes that stir the refrigerant and enhance heat transfer. Carefully designed to maximize the inherent efficiency, durability and low maintenance requirements of single-row, radial tube heat exchangers. Fabricated in continuous lengths with brazed connections only at the coil (or circuit) inlet and outlet. Eliminates return bends resulting in dramatically lower leak potential.

5 DuraTuff™ base pan

Manufactured to exacting standards. Will not crack, warp, corrode or rust.

6 Quick-Sess™ cabinet with full coil protection

Allows easy access to electrical and refrigerant controls. Improves installation and service time. Decreases unit downtime.

7 Compressor sound insulator

The sound insulator covers the compressor to diminish operating sound and create a quieter home environment.

XR13 AIR CONDITIONER (R-22 Refrigerant)

Model	Nominal Tons	Height (in.)	Width (in.)	Depth (in.)
2TTR3018A	1.5	26	28	26
2TTR3024A	2.0	33	29	26
2TTR3030A	2.5	33	33	30
2TTR3036A	3.0	33	33	30

As part of our continuous product improvement, Trane reserves the right to change specifications and design without notice.

Warranties generate additional income.

Trane extended warranties create additional income. Selling extended warranties is another way to protect your customers and generate future business.

It all adds up to a stellar reputation.

We know that when you recommend our products to your loyal customers, you are placing your livelihood and reputation in our hands. We salute your expertise in delivering Trane technology and innovation to your customers—making their homes a better place for living. You are the reason we can say “expect more from Trane.”
